Comprehensive Needs Assessment Summary of Findings

Student Achievement

Target student performance rates lower than State/Federal standards.
Improve performance of all students and student groups on STAAR writing.
Improve performance of Hispanic students, Special Education students, and ELLs on STAAR Reading, STAAR Math, STAAR Writing, and STAAR Science.
Improve performance of Special Education students on STAAR Reading, STAAR Writing, STAAR Math, and STAAR Science.
Improve performance of English Language Learners on STAAR Reading, STAAR Writing, STAAR Math, and STAAR Science.
Improve performance of economically disadvantaged students on STAAR Reading, STAAR Writing, STAAR Math, and STAAR Science.
Improve performance of Hispanic students on STAAR Reading, STAAR Writing, STAAR Math, and STAAR Science.
Decrease number of students on the Minimum and Foundation Graduation Plan.
Increase the number of students in advanced classes (PreAP, AP, Dual Credit).

School Culture and Climate

Training for and implementation of Positive Behavior Strategies/Supports
Reduction for the number of students in ISS and DAEP
Additional training on anti-bullying and character education
Increase student participation in extracurricular activities/events
Training for classroom management strategies and support

Staff Quality, Recruitment and Retention

Need for bilingual certified teachers – FES
Develop and sustain a teacher mentor program
Increase diversity in staff
Designation and planning time for staff development
Competitive salaries
Additional training for special programs (ESL, Bilingual, GT)
Additional training for RTI, ELPs, Literacy, Positive Behavior Supports
Increase opportunities for Professional Learning Communities
Increase opportunities for 21st century skills
Support teachers in attainment of proficiency via teacher evaluation systems

Develop programs for health education to encourage healthy lifestyle

Curriculum, Instruction and Assessment

Designation and planning time for staff development
Lesson development and planning for rigor and relevance
Differentiation of instruction
Increase level of student engagement through multiple instructional strategies and tools
Build and implement common assessments/benchmarks
Development of endorsements/graduation plans; course offerings
Vertical and horizontal planning opportunities
Training and disaggregation of data
Professional development opportunities to improve performance in reading, writing, and mathematics instructional delivery and student engagement in learning
College and career readiness programs
Integration of technology TEKS in instruction
Technology integration and instructional delivery methods
Review/revision of CTE offerings and endorsements

Family and Community Involvement

Increase parent involvement including parents of LEP and low SES students
Increase parental communication
Parental information sessions on state assessments
Academic information sessions / communication
Need for more parent volunteers
More district resources for diverse communication needs
Regular updates to district/campus webpages
Establishment of Business partnerships

School Context and Organization

Clear lines of communication
Open dialogue of campus/district needs
Collaborative teacher/departmental/team planning
Time for professional development meetings

Technology

Develop long range technology plan

Library and media services

Allocations for technology resources for instruction

Training and utilization of instructional technology

Maintain updated district website

Evaluation of software/instructional technology resources

Update district infrastructure

Teacher webpages training

Data disaggregation and analysis training

Utilization of educational software for progress monitoring

State & Local Compensatory Education

State of Texas Student Eligibility Criteria:

A student under 21 years of age and who:

1. Is in prekindergarten – grade 3 and did not perform satisfactorily on a readiness test/assessment given during the current school year.
2. Is in grades 7-12 and did not maintain a 70 average in two or more subjects in the foundation curriculum during a semester in the preceding or current school year OR is not maintaining a 70 average in two or more foundation subjects in the current semester.
3. Was not advanced from one grade to the next for one or more school years (students in Pre-K and K that are retained at parent request are not considered at-risk).
4. Did not perform satisfactorily on a state assessment instrument, and has not in the previous or current school year performed on that instrument or another appropriate instrument at a level equal to at least 110 percent of the level of satisfactory performance on that instrument
5. Is pregnant or is a parent
6. Has been placed in an AEP during the preceding or current school year
7. Has been expelled during the preceding or current school year
8. Is currently on parole, probation, deferred prosecution, or other conditional release
9. Was previously reported through PEIMS to have dropped out of school
10. Is a student of limited English proficiency
11. Is in the custody or care of DPRS or has, during the current school year, been referred to DPRS
12. Is homeless
13. Resided in the preceding school year or resides in the current school year in a residential placement facility in the district, including a detention facility, substance abuse treatment facility, emergency shelter, psychiatric hospital, halfway house, or foster group home.

Florence ISD students who meet the state and local compensatory eligibility criteria are served in our programs. Each student's progress is monitored and evaluated to determine if they are making academic progress. When students no longer meet the eligibility criteria, they are exited from the program's services.

Ten Components of a Title I, Part A School Wide Program

Florence Elementary and Florence Middle Schools are Title I, Part-A schoolwide campuses. In order to comply with federal guidelines the Elementary School and Middle School incorporate the following Ten Components.

Florence ISD students benefit from the Federal Meal Program (percentages based on Child Nutrition software as of November 7, 2016).

Percent on Federal Meal Program			
	2016-2017	2015-2016	Increase/Decrease
District	64%	61.0%	+3.0%
Elementary School	71%	69.3%	+1.7%
Middle School	61%	64.5%	-3.5%
High School	57%	46.1%	+10.9%

Number 1: Comprehensive Needs Assessment:

A comprehensive needs assessment is the vehicle for clarifying the direction and the priority needs of the schoolwide model to improve student achievement.

Number 2: Schoolwide Reform Strategies:

A section description of effective methods and instructional strategies based on scientifically based research that provides opportunities for all children to meet the state's academic achievement standards.

Number 3: Instruction by State Certified Teachers:

A description of the procedures and activities that will ensure instruction will be provided by state certified teachers.

Number 4: Professional Development Activities:

Professional development activities support the schoolwide goals and activities. This section should include a professional development plan for the entire school.

Number 5: Attract High-Quality, State Certified Teachers:

Strategies used to attract highly qualified state certified teachers to work with the most-at-risk students.

Number 6: Strategies to Increase Parent Involvement:

Strategies to increase meaningful parent involvement that will lead to improved student achievement.

Number 7: Transition Plans for Preschool and Between Grade Levels:

Description of how school will assist all district programs in transition between programs and schools.

Number 8: Teachers Included in Assessment Decisions:

Description of how teachers are assisting in the decisions regarding the use of additional assessments to improve student performance.

Number 9: Provide Assistance to Students Experiencing Difficulty:

Strategies for providing timely, additional assistance to students experiencing difficulties mastering standards.

Number 10: Coordination and Integration of Federal, State and Local Services

Florence Independent School District 2016-2017 Performance Objectives

Performance Objective 1

Increase the academic performance of all students on all STAAR assessments in grades 3-8 and EOCs by a minimum of 10 % (Index 1).

Performance Objective 2

Increase the academic performance of all students and Special Education students, ELLs, Hispanic students, and Economically Disadvantaged students on STAAR writing and ELA EOC assessments by a minimum of 10%.

Performance Objective 3

Increase the academic performance of Special Education students, ELLs, Hispanic students, and Economically Disadvantaged students on STAAR Reading and ELA EOC assessments by a minimum of 10%.

Performance Objective 4

Increase the academic performance of Special Education students, ELLs, Hispanic students, and Economically Disadvantaged students on STAAR Math and EOC Algebra I assessments by a minimum of 10%.

Performance Objective 5

Increase the academic performance of Special Education students, ELLs, Hispanic students, and Economically Disadvantaged students on STAAR Science and EOC Biology assessments by a minimum of 10%.

Performance Objective 6

Increase the Advanced Level III academic performance of all students on all STAAR assessments in grades 3-8 and the EOC assessments by a minimum of 15%.

Performance Objective 7

Decrease the number of students in grades 5 and 8 needing accelerated instruction by 25%.

Performance Objective 8

Attain a district-wide attendance rate of 97.0% or higher.

Performance Objective 9

Attain a 0.0% dropout rate for all students and each student group.

Performance Objective 10

Maintain or exceed a 97%+ four year graduation rate (students who do not drop out or who do not complete a GED) for all students and each student group.

Performance Objective 11

Attain a 100% five year extended graduation rate (students who do not drop out or who do not complete a GED) for all students and each student group over the four year graduation rate for the corresponding graduation year.

Performance Objective 12

Exceed the spring 2016 percentage of students having met the course requirements for the Recommended High School Program or Distinguished Achievement Program, and increase the number of Special Education students on the Recommended High School Program or Distinguished Achievement Program.

Performance Objective 13

All secondary Special Education students will be provided information on transition and employment services.

Performance Objective 14

Increase the percentage of high school students enrolled in advanced courses to 25% or greater.

Performance Objective 15

Exceed the current Higher Education Readiness Component in English Language Arts and mathematics skills for all students and each student group.

Performance Objective 16

Exceed the current College Ready Graduates rate in English Language Arts for all students and each student group.

Performance Objective 17

ELL students will increase one proficiency level on the TELPAS each year.

Performance Objective 18

Increase the number of Special Education students in instructional settings 40 / 41 by no less than 15%.

Performance Objective 19

Reduce the number of Hispanic students placed in Special Education by no less than 15%.

Performance Objective 20

Reduce the number of LEP students placed in Special Education by no less than 15%.

Performance Objective 21

Continue good hiring processes and ensure 100% of teachers in the district are state certified.

Performance Objective 22

Implement professional development opportunities that focus on research-based practices in instruction, student learning, and positive behavior strategies.

Performance Objective 23

Increase the number of parent and community engagement activities including Federal programs.

District Improvement Goal 1: Florence ISD will create an instructional climate that meets the needs of all students.

Objectives:

1. Increase the academic performance of all students and all student groups while closing the achievement between students of special populations: Hispanic, English Language Learners, and Economically Disadvantaged Students.
2. Implement strategies to improve academic performance rates for all students and student ethnic groups and special populations lower than State/Federal standards to include Hispanic students, English Language Learners, special education students, and all students.
3. Implement and support a TEKS-based, vertically aligned curriculum that reflects and utilizes best practices with emphasis on critical thinking skills and relevant content.
4. Provide successful transitions for all students to post-secondary readiness opportunities.

Performance Objectives:

See Performance Objectives 1, 2, 3, 4, 5, 6, 7, 14, 15, 16, 17.
