We hope everyone had a Happy Easter weekend and a good month of April! Spring is in full swing with the weather, activities, and closing ceremonies for our students upcoming! We look forward to seeing you there!

SOM

The March and April “Students of the Month” were recognized virtually at our regular monthly board meetings these past two months. Unfortunately, we are unable to take a group picture with our students as we normally do. However, a video was released via social media to the board members and public so our students could be recognized. Each of these students received a certificate of appreciation, a \$25 gift card to Walmart, and a Malvern Leopard gift bag. Congratulations to the following students! PTC & Virtual

Thank you for your patience, understanding, and flexibility with the different format for Parent/Teacher Conferences this year, the virtual modifications, the school event changes, etc. It has been a different and difficult year. I just want to thank our parents and community for working with us to make the best of an unprecedented situation. Personally, I have been here a while, and I know how great this community is. However, this community always seems to shine even greater during pressing times. Again, thank you to all our parents and supporters!
