### From the Desk Of the Principal...

As the weather gets cooler and the sun retires earlier, autumn is a great time to read at home! You can have your child read to you. You can read to your child. An older sibling can read to a younger sibling. The possibilities are endless! Students of all ages need to hear fluent readers reading to them. So...find a great book, and do some reading for enjoyment!

Have a wonderful weekend!

GO LEOPARDS!
