

## JBC Enrollment

### Assignment to a School Building, Grade Level or Classes

The superintendent shall assign building principals the responsibility of determining what students attend their building on an individual basis, and will base the decision on information from both the parents and the previous school. ~~on students to the appropriate building.~~ The building administrator will make their recommendation based upon the following criteria: size and make-up of the current class; the discipline, attendance and academic success of the incoming student. Any student desiring to attend a school outside the attendance area in which the student resides may do so only with the prior written permission of the principal. Parents of students attending outside their attendance center are responsible for their student's transportation. Assignment to a particular grade level or particular classes shall ~~will~~ be determined by the building principal based on the educational abilities of the student. If the parents disagree with the principal's decision on building assignment, grade level or class placement, ~~the principal's decision~~ parents may be appealed- appeal to the superintendent. ~~If the parents are still dissatisfied with the assignment, they may appeal in writing to the board.~~
