

JGC Student Health Services (See JGCB)

See Administrative Guidelines and Procedures Manual for District School Health Services, formally adopted by the Renwick Board on August 22, 1994.

As much as possible, the district shall endeavor to maintain a healthful environment for students during the school day and at school-sponsored activities.

All students are required to submit evidence that they have undergone a health assessment prior to entering **preschool and/or** kindergarten or before enrolling in the district for the first time.

The building administrator shall require proof of physical examination for any student engaged in activities covered by KSHSAA rules and board policy.
