

JQE ~~Pregnant Students~~ Alternative Arrangements for Nontraditional Students

Married students, pregnant students and students who are parents shall have access to the same educational opportunities, services and extracurricular activities provided to other students.

A pregnant student may be required to provide a health care provider's release to be allowed to participate in school activities which could pose a health or safety risk.

If there is a delay in obtaining a health care provider's release, in the student's best interest, the administration may deny activity participation until the release is made available.

~~A pregnant student has the right to continued schooling in regular school classes. In the event an individual pregnant student desires to withdraw from school during pregnancy, the district alone or in conjunction with other community institutions, will furnish her with such assistance as is possible to enable her to return to school on a full-time basis.~~
