

KBA District or School Web Sites (See KB, IIBG and ECH)

The board may establish a district web site and may allow creation of web sites for individual schools. A district web site shall be under the control of the District Technology Coordinator and school web sites shall be supervised by the principal.

Web Site Rules

Detailed rules relating to web sites are found in appropriate handbooks or in documents approved by the board and filed with the clerk and/or principals.

School rules shall include the following areas:

- Data privacy and FERPA regulations;
- Copyright rules, relating to access and use of materials and the property rights of the district, students or employees who create material;
- Instruction on what information and materials will be prominently posted on district and/or school homepages, which shall include, but may not be limited to, a copy of Kansas State Department of Education's Form 150 estimating the legal maximum general fund budget as well as the budget summary for the current school year and actual expenditures for the immediately preceding two school year showing total net dollars of transfers and dollars per pupil as specified in Kansas law, using the full-time equivalent enrollment of the school district for such required calculations;
- The board's and administration's shall right to determine web site content and monitor use by employees and students.

District and school web sites are maintained to support the public relations and educational programs of the district and/or the schools. Web sites may be modified or terminated at any time by board action.
