What do you enjoy the most about your chosen profession?

I have the chance to tell stories that have the potential to incite change.

What degree(s) have you received since your graduation from Renwick and what schools did you attend?

Associate's Degree in Visual Media Design at Hutchinson Community College

Was there a teacher who made a positive impact on you or helped direct your path when you were a Renwick student? How did they inspire you?

Mrs. Ewert introduced me to computers. I didn't know how to use them, but she was so very patient and understanding. She inspired me to advance in computer technology, ultimately leading me to where I am now.

What advice do you have for current Renwick students preparing for college?

You don't have to have a career in mind, just an ambition. Sooner or later your passion will come to you.

What kind of a difference did your time as a student at Renwick make for you?

All the difference in the world.
