Dear Mr. Hoffman,

I am writing to announce my resignation from the USD 267 Garden Plain High School Art Position effective May 20, 2016, the last day of school.

It was not an easy decision to make. The past year has been an amazing first year teaching experience. I have learned so much about myself as a teacher and I have also learned more about my students. I have really enjoyed working with you, the staff, and the Renwick District. I am really grateful to have the opportunity to expand students' knowledge of art and creativity. I will truly miss working with the students and developing their art skills and appreciation for the arts. I have seen great improvement in many of my students, and I believe they will continue to grow.

Thank you for the opportunity to work with you at Garden Plain High School and for the opportunity to have such an amazing first year teaching experience.

I wish Garden Plain High School and staff all the best in the years to come.

Sincerely,
Bethany Hopson

Dear Mr. Hoffman, Mr. Bourne, and School Board Members:

I have immensely enjoyed working at Garden Plain High School for the past year, and have greatly appreciated the opportunity to enter into this strong, caring community for a short time.

However, it has become apparent to my family over the past year that the place I am needed most is at home. While I enjoy teaching the wonderful students of Garden Plain, it is my belief that the time has come to employ my teaching skills where it is needed most – with my son. Therefore, I will not be renewing my contract with USD 267 next year.

My only regret in this decision is that I did not get more time at Garden Plain High School. I truly admire the educational environment you and my colleagues have worked to create in this school, and I will take the lessons I have learned here with me as I continue on in my life. Thank you, again, for employing me here and giving me the opportunity to be a part of this great community.

Sincerely,

To Whom It May Concern:

Please accept this letter of resignation from the position of business teacher and assistant baseball coach, at the end of the 2015-2016 contract school year.

I have accepted a principal position with another school that will further my growth and development in my career. I have enjoyed working at Andale High School. However, this new position will challenge my growth and further my career.

Best regards,

Brock Hampton
