

Changes to SMS 2016-2017 Handbook

Only change is highlighted below.

CLASSROOM BEHAVIOR

Teachers will handle inappropriate behavior within their own classrooms in a pre-established manner which may include written assignments, loss of recess time, removal from an activity, phone call to parents, or assigned detention. When a student's behavior does not appear to improve, the student will meet with the teacher and principal to discuss the problem. An improvement plan will be developed (verbal and/or written). Severe, disruptive behavior will be referred to the principal immediately. When necessary, in-school or out-of-school suspension will be used according to the Board of Education policy. **All class work assigned during out-of-school suspension will be submitted for zero credit.**
