

## Black and Gold April Happenings

A big shout out to our parents that plan, set-up and run After Prom! It was another huge success and is such a great, safe activity you provide for the students at AHS. Thank you!

If you have an incoming Freshman, we are having an 8<sup>th</sup> Grade Open House on April 11<sup>th</sup> from 5:30 – 6:30. Come and explore the many opportunities that AHS has to offer! Administrators, Teachers, Counselors, Coaches, and Club Sponsors will be on hand to answer any questions you or your child may have as we near the 2019-20 enrollment period. The Open House will conclude with a short presentation beginning at 6:15 in the auditorium given by the AHS Counselors discussing the transition to high school. There will also be a Driver’s Ed. Meeting in the Auditorium starting at 6:30.

As you can see from the calendars below, there is a lot going on in April and May. Our spring activities are in full swing and there are many days students are released early from classes. Please help your student(s) stay current in their classes during this busy time of year.

Mrs. Shackelford
