

## Black and Gold April Happenings

As March closes out, I would like to update you on the climate at Andale High School. I have had to inform you of some incidences that have occurred lately. I want you to know that I am focused on the safety, success and emotional well-being of your students. Our young adults are learning that what they say, do and post is taken seriously and action will be taken when appropriate. We have great students at AHS and I am truly blessed to interact with them on a daily basis.

Our student-athletes are in action with their spring sports and activities. Please remind your students that their academics come first and they need to stay current in their classes, even if they are dismissed early for activities.

If you have an incoming Freshman, we are having an 8<sup>th</sup> Grade Open House on April 24<sup>th</sup> from 5:30 – 6:30. Come and explore the many opportunities that AHS has to offer! Administrators, Teachers, Counselors, Coaches, and Club Sponsors will be on hand to answer any questions you or your child may have as we near the 2018-19 enrollment period. The Open House will conclude with a short presentation beginning at 6:15 in the auditorium given by the AHS Counselors discussing the transition to high school. There will also be a Driver's Ed. Meeting in the Auditorium starting at 6:30.

Thank you to our parents and community members that participated in the Career Fair hosted by Mrs. Bergkamp's Career Explore class!
