

Black and Gold February Happenings

We are currently working on course offerings for next year and are excited to introduce new classes that will benefit our student body! Next week, the Counselors will have class meetings with the students and then open up Career Cruising for students to start selecting courses. Once this happens, we will put a link to our Enrollment Guide on the front page of our website.

Please see below for information on conferences. Our conference times on Thursday are different than the other schools in the district. We are hosting our last regular season basketball games that night, along with Senior Night. We hope this is not an inconvenience, but it takes most of our staff to run home events...and we would love for you to join us at the games and tailgate.

Hope to see you on the 20th and/or 21st!
