

## Black and Gold March Happenings

Believe it or not, it is time to start thinking about next year! The students are currently working on selecting courses in Career Cruising. If you were unable to make it to conferences, please ask your student(s) to show you their classes they have selected. We are stressing the importance of this process with our students. From this information, we decide what courses will be taught and how many sections are needed. After Spring Break, the students will meet with the Counselors and start finalizing selections. Once the students submit their courses, we will send the schedule home and ask for your signature to confirm their choices.

To help you with this process, we have added a link to the AHS Career Pathways sheet on the front page of our website. This has all of our Pathways offered and a progression of classes the students can take if interested in these programs of study. A link to the 2019-20 Enrollment Guide is also on the left side of our home page. If you have any questions, please contact our Counselors and they will be glad to help you!

*Last Chance Inn, Calamity Gulch* is a melodrama set somewhere in the southwest in the late 1800's. Ma and Pa Culpepper, proprietors of The Last Chance Inn are in danger of losing it to evil loan officer, Horace Prickley. In need of a son or son-in-law to take over the loan, the Culpeppers scheme to adopt and marry off pretty (but clumsy) orphan-turned-waitress, Patience Sweetwater. The intended groom is the newly-appointed Sheriff Virgil St. Vigil who makes the rounds with his deputy and trusted sidekick, Princess Prettyfoot. Prickley learns of the Culpeppers' plot and enlists the aid of the beautiful Sahara Hartburn to "distract" the Sheriff from Patience. This whimsical, fast-paced melodrama offers sight gags, puns and an array of comedic supporting characters, including the sharp-tongued Ivory Keyes at the piano; the elbow-bending Happy Bartender; the Culpeppers' frumpy daughter, Chastity; the woeful Widder Black; and three tipsy Temperance Ladies. This should be an evening of fun for audiences of all ages. Performances will be Friday, March 22 and Saturday, March 23 at 7:30 pm in the auditorium.
