

Black and Gold November Happenings

We have had a very busy and successful first few months of school. The Choral Music Department put on a great show at their Coffeehouse, while the Band has been competing at marching contests. The Cross Country Team put in a lot of time and hard work, many days running in the rain. Congratulations to our Ladies Golf Team and Volleyball Team for their great performances at the State level. The football players are still working hard, with one goal in mind. Thank you to our Cheer and Dance Team for all of your dedication. The members of SADD put on a great Trunk or Treat for the local youth and we inducted new members of the National Honor Society. While all of this was going on, STUCO members hosted 2 dances (with new equipment provided by the Booster Club) and provided many fun activities for the students!

We are so proud of our students and are thankful for the support of the AHS Community!

Happy Thanksgiving!

Coming Soon...

The Fine Arts Department invites you to kick off the holiday season with their presentation of Joe Landry's *It's a Wonderful Life -- A Live Radio Play*. This heartwarming classic is a show within a show. It's December 24, 1946 in Studio A at WBFR Radio, and a cast of sixteen actors is preparing to present *It's a Wonderful Life* live to the listening audience. With the help of only a sound-effects artist, the ensemble re-enacts the story of George Bailey, a young man whose dreams of

traveling the world are thwarted by his sense of responsibility to the family business. Down on his luck, Bailey, compassionate yet disheartened, is at the end of his rope. He questions his purpose in life and considers ending it all. Just then, an angel arrives to show Bailey how the lives of those he loves would be affected if he were not around. The story's message is profound and remains relevant for today's audiences.

Perfect for the entire family, this will be a great opportunity to get you in the holiday spirit!

Performance dates are Friday, November 30 and Saturday, December 1 at 7:30 pm in the Auditorium.
