

KanEquip Ag Technician Scholarship Program

For over 50 years, KanEquip has been a leader in agricultural and light industrial equipment. We serve primarily agriculture producers as well as government agencies and contractors from 9 locations in Kansas and Nebraska.

KanEquip offers scholarships to students interested in pursuing a career as an agricultural technician. This scholarship is available for most heavy/ag diesel technology degrees from any approved college and includes a paid internship as well as credit towards purchasing tools.

Purpose

The purpose of the Ag Technician Scholarship is to provide financial support to individuals who are seeking training to become an Ag Technician. In return we require that individuals be employed with KanEquip for 2 years after completing their degree.

Scholarship Types & Amounts

Oklahoma State University, Institute of Technology School of Diesel and Heavy Equipment: Full tuition and tool scholarship to Oklahoma State University Institute of Technology in Okmulgee, Oklahoma. \$1000 voucher towards tools upon graduation.

Kansas/Nebraska Community or Technical College: Scholarship for \$2,000 per semester to an approved community or technical college in Kansas or Nebraska (see list), plus a \$1,000 voucher to purchase tools from KanEquip.

Use of Scholarship

The Ag Technician Scholarship is applied towards tuition and fees.

How to Apply

Students must submit an application and letter of recommendation to:

Richard Dugan
