TRADITIONS

Baseball is a game of traditions and our program is no exception.

We like to think that we “Reload” and not “Rebuild” every year.

If we can do this we will carry on the tradition.

TEAM RULES

In all aspects of life each one of us has to follow certain rules. These rules help maintain order. On our baseball team, we would like to have very few rules. Having them is important as I feel if an individual can be disciplined enough to follow them, he will have no problem in our system. Remember, discipline comes from within and it is up to the individual to discipline himself. **Personal discipline is a sign of a person's character**, and is something that is of utmost importance to my staff and me. As a team and family, we must also be accountable for each other; look out for each other and keep each other out of trouble. All players and managers will be expected to abide by the following team rules.

TEAM RULES CONT.

You are a student first; get it done in the classroom. That means grades, AR, and behavior.

Don't be late. This means to any team function. If you are going to be late or gone, it is **your** responsibility to contact the proper coach. If you're early, you're on time, if you're on time, you're late.

Players and Managers will follow the Drug and Alcohol Policy of USD 267.

- If you are caught breaking this policy, you will be suspended for one week for your first time offence. If you are caught the second time, you will be dismissed from the team.
- Includes the Code of Conduct that both you and your son signed at the beginning on the year when you enrolled.
- Does not matter if your son is 18 years old or not, he is still competing for AHS/GPHS and will still be under their rules and regulations. Even after a Sr. has graduated, until our season is over, he still must adhere to these rules.

TEAM RULES CONT.

You will be warriors on the field and gentleman off it. Respect yourself, parents, coaches, officials, opponents, teammates, school, teachers, and administrators.

You will address **ALL** coaches, officials, and administrators as Sir or Ma'am.

Anything else the Andale Coaching Staff says (IIOCDSA).

The Andale Coaching Staff will deal with all problems or rule infractions on an **individual basis**. If further disciplinary action is required it will be sought through the administration. Consequences will range from extra running or agilities, to dismissal from the team.

Housekeeping

- 24 Hour Rule
 - If you need to talk to a coach wait until at least 24 Hours after.....
 - Talk to your son first
 - Have your son talk to their coach
 - Talk to the appropriate coach first and then move on
- Practices are always open
- Do not come down and talk to your son during a game
 - We provide water and Gatorade, we can send a manager.
- Don't call a coach after 9:00 PM (We will not answer)

KSHSAA NEW Pitching Rules (AGAIN)

<u>Pitches</u>	<u>Required Rest</u>
76-105	4 days
61-75	3 days
46-60	2 days
31-45	1 day
1-30	0 days

- The above pitch count chart applies to **all levels of competition**.
- Required rest means calendar days. Throwing 105 pitches on Monday means the required rest period will be Tuesday, Wednesday, Thursday and Friday. The first available day to return to competitive pitching is Saturday.
- All pitch count guidelines apply to an individual pitcher on a daily basis. For example, a pitcher could pitch in both games of a double header, not to exceed 105 pitches. The total number of pitches the pitcher throws that day will determine the pitcher's days of rest that must follow the double header.
- A player's pitch count and required days of rest apply to games at any and all levels of play.
- Example: Player A throws 62 pitches in a junior varsity game. Player A must rest 3 days before pitching in a JV, Varsity or other sublevel game.
- Number of pitches are competitive pitches only. Warmup or bullpen pitches do not count.
- *A pitcher will be allowed to finish a batter if they reach the max of 105 in the middle of the at bat.
- If the pitcher is ambidextrous, the pitch count guidelines apply to the individual pitcher, not to the individual arm.

LETTERING

1. Play in half the games.
2. Play in $1/3$ of the total innings during the regular season.
3. Play four (4) consecutive years.
