COVID-19 Guidelines:

We appreciate your understanding and cooperation with these new guidelines. Please make sure your team, coaches, and parents are aware of the Expectations.

Team/Players:

- All teams/coaches must wear masks at all times except while warming up and competing.
- Teams should set up a “team camp” area at the facility, to ensure safety and social distancing between your team and other teams.
- Please bring your own water and water bottles
- Essential personnel only on the course and at the start/finish line

Spectators:

- Spectators are asked to bring a lawn chair and sit outside of the course
- Spectators will be required to wear a mask if unable to socially distance themselves from others.

Race Modifications:

Mask will be required by all coaches and spectators. Social Distancing is required when possible. Runners will wear mask up to the starting line and be allowed to take them off right before the gun is fired. We will either use team boxes for starting or wave starting depending on numbers in each race to help with social distancing. We will use multiple shoots at the finish line and runners should be prepared to mask up after completion of the race

Please park school vehicles in designated area

-No access to the course from HWY 160

-Please park and enter the course off of North Day Street to access the course at Hargis Creek
