Welcome Letter from Mr. Stone

Dear Colwich Elementary-Middle School Students and Parents,

I look forward to seeing our students back in the building August 25 interacting with other students and staff. There has been more activity in the building this summer in preparation for an exciting 2020-2021 school year that we are looking forward to. School will begin at 8:05 a.m. this year and will dismiss at 3:27 p.m. The doors will open at 7:55 a.m.

Additional protocols will be in place to mitigate the spread of Covid-19. All adults and students will be temperature checked before entering the school building by school personnel. Parents, please plan to take your child's temperature before sending to school to make sure their temperature is 100 or lower. This will indicate to you as to whether you should send your child to school or not. Notify the school office/nurse if your child has dry cough, sore throat, chills, shortness of breath, fatigue, headache, congestion or runny nose, muscle or body aches, diarrhea, abdominal pain, or vomiting.

There are several other procedural changes addressed below. Students are encouraged to communicate with their teachers and administrators about any concerns about these procedural changes.

MASKS/FACE COVERINGS

Masks or face coverings that cover both the mouth and nose must be worn in the building and when social distancing cannot be accomplished outside for adults and children Kindergarten-12th grades.

HAND WASHING/HAND SANITIZING

Protocols are in place for students to regularly wash their hands and/or use hand sanitizer. The school will provide these products but we recommend that students carry a small bottle of hand sanitizer that is at least 60% alcohol and does *not* contain methanol.

BUILDING ENTRANCE

Three entrances will be used at the beginning of each school day. Grades K-2 will enter the door by South Gym. Grades 3-5 will enter the front lobby door by the office. Grades 6-8 will enter the South East door between 3-5 hallway and middle school. After 8:15 am, all students need to enter the front office door. Parents will not be allowed to escort students to their classrooms.

PRE-K ENTRANCE

Pre-K students will enter their individual classroom door on the West side of the building.

LOCKERS

Hall lockers will not be issued this year to discourage group gatherings and allow for traffic flow in the building.

BACKPACKS

Backpacks will be allowed in the hallways and classrooms.

BREAKFAST

Breakfast will be offered at each entrance. Students will eat in the classrooms.

SHARING OF SUPPLIES

Students will be strongly discouraged to share supplies. If there is a need, please communicate that need with your teacher.

WATER FOUNTAINS/WATER BOTTLES

There will be no public water fountains, only water bottle filling stations. Students should plan to bring a water bottle with a cap or lid and be sure that it is labeled.

If you have any questions or concerns about anything school related, please feel free to contact the school office at any time. Again we look forward to an exciting 2020-2021 school year.

SCHOOL SUPPLIES

Teachers will contact you about when to bring school supplies. Items will be staggered to avoid carrying all supplies on one day.

Sincerely,

Tige Stone, Principal
