

# Dismissal

Due to safety concerns, we are making some changes to our dismissal routine. **Car riders:** Students who get picked up dismiss to the south gym doors. Parents are to enter the lot from Breese Street, south of the school, and form a single file line. Please exit onto 53 Street N. After 3:00 the west entrance will be one-way, northbound ONLY. Parents may no longer pick up children in front of the school between 53rd Street and Breese. **K-8 parents: No parking in stalls is allowed in west parking lot. Preschool parents need those spots for picking up their children.**

**Please yield to buses dropping off and picking up students at any time.**

**Walkers & Bus Riders:** Dismissed on Marian Street in front of the building.

**Additional option for 3rd-8th graders:** Use the crosswalk north of the building and get picked up at the Church or City Park. Older siblings may take younger siblings. Students may also meet parents S. of Breese St. on Marian.\*

**NO U-turns on Marian Street.**

If your dismissal plans change, please call the office so we can direct your child/children to the correct area. 316-796-1331. Please make sure anyone picking up your child/children knows where to go and what to do.
