OUT-OF-ATTENDANCE BOUNDARY STUDENT APPLICATION

All parents of students who want to send their students to buildings outside of their Renwick School District attendance center boundaries must apply for permission to attend the desired school. Please complete this form and return it to the principal of the Renwick school where your child/children wish to attend. A separate form for each school must be completed.

Approval of this application does not ensure that the student(s) listed below will be able to continue beyond the year listed. Renwick USD 267 maintains the right to deny any out-of-attendance boundary student's application for any reason including the need to hire an additional teacher, the size and make-up of the class, the student did not show serious interest in getting an education, etc.
