OUT-OF-DISTRICT STUDENT APPLICATION

(Revised 11/11/11)

All parents of students who reside outside of the Renwick School District must apply for permission to attend a Renwick school. Please complete a new form and return it to the Renwick school where your child/children will be attending. A separate form for each school must be completed.

Approval of this application does not ensure the student(s) listed below will be able to continue beyond the year listed. The Board of Education maintains the right to deny any out-of-district student's application for any reason including the need to hire an additional teacher, the student did not show serious interest in getting an education, etc.
