Coach Moore says, "I thought the boys played really hard and gave really good effort all four quarters but just could not pull out the w. We traded leads with Atlanta through out the game but came up short in the end. We missed too many easy baskets close and missed too many free throws which kept us from eventually beating a very athletic team. Our boys know that the difference in close ball games will probably be free throws and we did not capitalize on them in the fourth quarter going 4 for 12 in the last quarter. Our team is slowly getting better each game and that's all you can ask for in the early part of your season."

Varsity Boys Results from November 22

	1st	2nd	3rd	4th	Final
Como-Pickton	9	13	16	10	48
Sulphur Bluff	10	15	12	14	51

"The boys came out and played really hard. Early foul trouble took some momentum from us at the end of the first half, but tough defense in the 4th quarter pulled us through," says Coach Moore.

Masonic Lodge Members Wade Bartley and Bobby Goswick present Tooth Care Kits to first graders. Each kit comes with a toothbrush, floss, and a timer all in a case. Mrs. Thompson, our school nurse, gave a lesson to the students after the presentation of the kits. Mrs. Thompson told the students that a good way to remember how long to brush your teeth is to sing Happy Birthday to yourself twice as you brush. This kit comes with the handy timer, though, that can help these first graders to brush just right. For our school's first graders to be presented with these kits, a local member had to nominate Sulphur Bluff's first grade.
