Help Sulphur Bluff Go Green

Recycle your old, used printer and toner cartridges. Proceeds will be used to buy needed classroom materials. See Mrs. Weeks for donations or questions.

JH Baseball—Coach Hill says that the team is looking good. They played yesterday evening. The boys play next on Sept. 9 at home against Saltillo at 4:30. Team members are front row L-R Brennon Seymore, Aaron Swanson, Dalton Miller, Dylan Flowers, Hunter Carpenter, Jonathon Brown, Hunter Wallace; back row Turner South, Isaac Foley, Joe Forshee, Jacob Watts, Wesley McDonald, Albert Serrano, Harrison Fite, Tyler Kelly. Tyler Kelly and Dillon Foster (not pictured) are the team managers.

5th & 6th Grade Students Need Your Help As They Study Eco-Friendly Practices

Recycle Your Old Dried-Up Markers

They will be sent to Crayola, who will use them to make into clean-burning fuel. Collection boxes will be set up in the office and by Mrs. Weeks' classroom.

Reading and Writing Workshops—Fourth grade teacher Mrs. Green, pictured above with her students L-R Molye Rosas, Tori Raine, and Jada Koorevaar. This week they have followed the writing process on a small scale as they have published a sentence. The steps of the writing process are Prewriting, Drafting, Revising, Editing, and Publishing. The class will continue to build on this method as they create fiction and non-fiction pieces. Reading and writing go hand-in-hand. You must read to build your vocabulary and learn the sentence structure of our language. Fourth grade is the first encounter students have with the STAAR writing test, and Mrs. Green makes sure that her students all know the writing process and are getting in plenty of reading.

The Phonics Dance – Miss Harder teaches her first graders with phonics dances, special dances and songs for long and short vowels, consonants, r-blends, l-blends, vowel combinations, digraphs, etc. The class is learning quickly and enjoys doing the songs and dances. Inset photo, Miss Harder makes sure that all of her students know how to make the digraph th sound.

Terri McCoy Joins Staff

Terri McCoy says she couldn't pick just one favorite subject. She likes Science, Writing and Reading, and Geometry all equally well. Mrs. McCoy has joined us in the cafeteria this year. "My oldest son Hayden started Pre-K this year. My dream job is to be as close to my kiddos as I can. It doesn't get much better than getting to work right here with him," said Mrs. McCoy. Terri is married to Shawn McCoy who graduated from SBISD in 1998. They have two boys, Hayden-4 years, and Mason-2 years old next week. She enjoys camping, hunting, reading, and playing with her kids. Mrs. McCoy says that she has never worked in a school before. Before working here, she worked as a home health aide and CNA. She comes to us with a good work ethic and a positive attitude, and we are happy to welcome her to The Bluff.

On September 13
