# School Board Appreciation

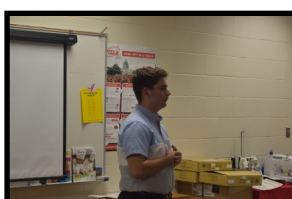

The Beta Club prepared and served a spaghetti dinner to the SB School Board members Thursday evening. Beta members from each HS class and HS organization gave a brief speech, informing the board members of all of the activities each has completed and have planned for the school year. All of the Elementary classes made projects as well, showing their appreciation to board.

Thank you to each of our school board members for all that you do for our students! Board members are Terry Goldsmith, Donnie Powers, Tyler South, Brian Dorner, Chris Bassham, Billy Emmerson and John Vance.
