Homecoming

#TxEdTuesday

#TxEdTuesday Social Media Campaign:

Each Tuesday, participants will use Twitter and Facebook to engage their legislators about the great things happening in their public schools. We will also tweet and post messages of support for legislators and bills that can greatly improve public education. Don't forget to attach pictures or images, it will increase engagement. Also, tag people, especially our legislators. One of our goals is to let members of the "House" know that we support their work and their support of public education.

How does it work?

Tweet and post great things about your district and tag your state representatives and senators. Use the hashtag #TxEdTuesday to ensure that your posts are part of the campaign.

TELL IT

Tell your school's story. Thank the legislators that support your students, families and teachers. Post messages of support or opposition for bills that stand to impact students.

TAG IT

Tag your state representatives and senators.

Very important that you use the hashtag

#TxEdTuesday to be included in the campaign.

This will allow all of us to see the twitter feed and re-tweet throughout the day.

SHARE IT

Share and re-tweet positive stories you see from other school districts. Let's support each other and public education in Texas.

Goal

Each Tuesday, the goal is to have at least 1000 posts on the #TxEdTuesday hashtag on both Facebook and Twitter. We want to keep the conversation going about what is important for the students served in public schools.

Twitter and Facebook Accounts

Attached you will find every legislator's twitter and Facebook account. Please, when sharing something positive about your district or something positive that they have done to support you or public education, please tag them to let them know. We need our "House Members" to know, we have their back in this fight.

#TxEdTuesday Graphic

Also attached you will find a graphic that we would like you to use when posting. This image can be posted any day of the week to market and promote our mission.

Schedule your posts

It's a good idea to create 5 or 10 posts so that you can schedule them to go out throughout the day on Tuesday's.
