Right—6th
Grade

The 6th grade class read "The Indian in the Cupboard" and had to create their own cupboard and write a story about something that came to life in it. They also had to create a project entitled "What Freedom Means to Me" for Freedom Week. 5th grade read "Matilda" and then had to do a Feature Teacher presentation where they had to teach the class how to do something. They also had projects entitled "What Freedom Means to Me" for Freedom Week.

SENIORS

2017

Seniors 2017 had cap & gown and tux and drape pictures taken earlier in the week. Our photographers loved how well all the students acted like family and the seniors took their picture with them. "The Bluff" is one big happy family!!!

Fighting Bears & Lady Bears

Junior High Baseball comes to an end. The team finished the season 5-3 and won 3rd place. I was very happy with the improvements the team made over the season. The team was lead by 8th graders Brandon and Montana along with 7th grader Trevor Moore. Most improved player is Shane Johnson. -Coach Darby

Left- HS Varsity Volleyball played well Tuesday evening but came up short against Clarksville. The team plays at home again next Tuesday. Come out and support these girls!

Left- Junior High Volleyball B Team vs Avery.

Right- Junior High Volleyball A Team vs Avery.
