## Message from our Superintendent

I want you all to know how much I appreciate the dedication you put forth each and every day in the classroom and in the district. As progress reports were distributed this week, we all realize how quickly our instructional days are passing and how important it is to make the most of each day. Your extra efforts have not gone unnoticed and the attention to details is exactly what will make a difference in the success of our students.

I know we have had an emotional week in remembering the attacks on September 11 which occurred eighteen years ago. The members of our senior class would not remember the events which took place on this day. On Patriot Day it's important that we remember the sacrifices of US citizens and first responders on a day that we will never forget. It was this event that rallied our nation to stand arm-in-arm.

The Livingston High School Chorale performed at Livingston City Hall's 9-11 Remembrance Ceremony on Wednesday under the direction of Tom Myers and accompanist Marless Owen.

Tonight, the Livingston Lions Football team plays their first home game against the Liberty Panthers. The Lady Lions Volleyball team takes on Corrigan in the LHS Competition Gym and the Cross Country team will be attending the Dayton Bronco Invitation at Dayton High School tomorrow morning at 8:00 am. I know the students appreciate the support of the faculty and staff as you attend the games to cheer for our teams.
