Message from our Superintendent

A culture of winning

After 1029 days and the prior year being defeated by the Shepherd Pirates 68-7, our football team pulled off a dynamic win at Pirate Stadium. I am extremely proud of these young men and coaches. The happiness that I have does not come from Friday night but rather watching the work they put in to prepare for the contest. The habits of defeat and culture that drive these disappointments are not easily changed, but these 31 young men paid a price to take a huge leap in doing just that. Coach Voanover's department started the change of this culture last year by the process of building athleticism first and sports second and this philosophy has improved all sports in our district. While we may not have caught excellence no one can argue that we are taking great leaps in a positive direction. Great things are on the way and once again thanks to all that made this progress happen.

Another area that we are excited about is the partnership between LISD and LivCom. Livcom has allowed our students an opportunity at impactful learning in the area of broadcast like never before. We are in Beta stage of television programming and the students and staff are excited for the opportunity to enhance our community and allow these young folks to obtain some remarkable experiences. The district will release more information on the television station in the future.

Lions defeat Shepherd 32-26 on a game winning touchdown in the final seconds.

Kinder Lion *PEP RALLY*

This year marks the twelfth year of the celebration created to instill school spirit beginning with the Kindergarten students. The students file into the gym with peppy sounds of the band creating an instant welcome where they are also greeted by Leo the Lion to enjoy their very own personalized pep rally held in the competition gym. The NNDCC color guard opens the pep rally with the pledge and national anthem followed by the band's high spirited songs leading the performances of the Livingston Royal Brigade flag corps, Emerald Belles drill team, and cheerleaders. Varsity football players sit with the kindergartners encouraging them to express their lion spirit. The pep rally ends with classmates joining pinkies in the air while they sing the school song. A spirit line leading students from the school exit to the buses is a wonderful way to end their trip to Livingston High School for their very own pep rally.
