

Public Report on Highly Qualified Teachers in Core Subjects in LISD November 12, 2012

- The No Child Left Behind law requires that each Local Education Agency publicly report progress of the Local Education Agency and it's campuses toward meeting the Highly Qualified teacher requirements as defined by the State's measurable highly qualified teacher objectives.

2012-2013	% of Teachers HQ in Core Content Areas	% of Teachers HQ in Special Education	% of Teachers receiving high-quality staff training
TEA Target/Goal	100.00%	100.00%	100.00%
District	99.55%	100.00%	100.00%
Livingston HS	100.00%	100.00%	100.00%
Livingston JHS	100.00%	100.00%	100.00%
Livingston Intermediate	100.00%	100.00%	100.00%
Pine Ridge Elementary	97.67%	100.00%	100.00%
Timber Creek Elementary	100.00%	100.00%	100.00%

1. LISD provides professional development in-service for teachers each year that relates directly to highly qualified staff development specific to the core content areas with such topics as Texas Essential Knowledge and Skills, Assessment, Differentiated Instruction, and Technology.

2. LISD offers all teachers many opportunities for professional development that help them meet the 150 hour requirement for the renewal of their certificates.

3. LISD offers teacher preparation sessions as well as testing preparation materials for check out by staff. These activities will be offered as long as a staff member is striving to become HQ in their area.
