Happy Holidays

The 2nd Annual Lifeskills Holiday Woodshop sold out in record time at Livingston

High School. Faculty and staff had an opportunity to purchase precious wood creations, signs and ornaments that were sanded and painted by the students. Mrs. Foster shared how her students have worked hard on the merchandise and was happy to report that the sales exceeded her expectations.

Livingston High School Navy National Defense Cadet Corps
Change of Command Conducted

Livingston High School held their Change of Command for the position of Battalion Commander on December 15. The change of command is a simple yet traditional event that is rich with symbolism and heritage which includes the passing of the unit's colors. The passing of the colors symbolizes the transfer of command responsibility and authority from outgoing Battalion Commander Cadet Mykayla McAdams to Cadet LCDR Sonja Wiley. SFC Tinker promoted Cadet/Lieutenant Sonja Wiley to Cadet/Lieutenant Commander as unit Battalion Commander for the 2021-2022 school year. This presti-

gious ceremony occurs once a year as a great priority.
ACADEMIC TEAM ADVANCES
Livingston High School Navy National Defense Cadet Corps has two academic teams that advanced to Level II of the national academic competition. They were allowed two teams and both have advanced. The next testing will be conducted during February. The JROTC Leadership and Academic Bowl is an all-service national competition that culminates in the Level III JLAB Championship in Washington, DC. JLAB tests the leadership and academic skills of JROTC cadets from across the nation.

ACADEMIC TEAM ADVANCES TO STATE | SFC Grady Tinker, NNDCC Instructor, and Dr. Brent Hawkins, LISD Superintendent shown with the Livingston High School Navy National Defense Cadet Corps Academic Team.
