

TOGETHER, WE CAN MAKE STUDENTS UNSTOPPABLE

“ACT Academy will help students improve their readiness for the ACT test and college and career by giving them the resources they need to increase their understanding of core academic skills. And the fact that **ACT Academy will be free to all students** is yet another way ACT is working to close gaps in equity, opportunity and achievement for underserved learners.”

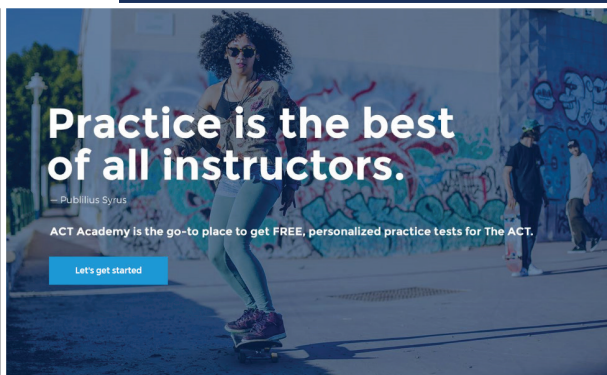

*Suzana Delanghe,
ACT chief commercial officer*

ACT ACADEMY

FREE ACT Test Prep with:

- ✓ Personalized Study Plans
