March 6, 2018

Dear Red Lick Elementary Parents,

At Red Lick Elementary we strive to keep our elementary students safe. For this reason, there are times when we must change policies to ensure the safety of our students. We had an incident this morning in the second K-2 line where a student was dropped off in the exterior lane with a staff member opening the door for the student. The student left her side and walked toward the building. The driver of the car in the interior lane did not see the student. If the staff member had not stopped the child, the child could have been seriously injured unintentionally by the driver. To keep this from ever happening again, we will have a policy of one-line drop-off at the K-2 building for all K-2 students in the morning from 7:30 a.m. - 8:00 a.m. Please do not drop your child off in an exterior lane. For our 3rd and 4th grade students, we will have them dropped off at the Shed but in reverse. Parents will turn west on White Road and then north on Cemetery Road. This will allow students to be dropped off with their doors opening to the Shed. This will be safer for our students and a faster drop off for our parents. Also, please have your child at school before 7:55 a.m. Classes begin at 7:55 a.m., and students are missing instruction if they arrive after 7:55 a.m. Students are tardy at 8:00 a.m.

For the safety of our students, always drive slowly in the parking lot, no cell phones, and interior lane drop offs only.

Thank you for your help in keeping all of our students safe.

Sincerely,

Debbie Cooper
