Purpose of the Andrea Parnell Memorial Scholarship:

The family and friends of longtime Porter teacher, Andrea Parnell, who passed on February 9, 2019 from leiomyosarcoma cancer have put together a scholarship fund to honor her dedication and commitment to Porter students and their continued education. Mrs. Parnell was the high school business teacher until 2008, teaching computers and accounting classes. Mrs. Parnell began teaching high school and junior high mathematics in 2008 until her retirement in 2018 due to her cancer diagnosis. Mrs. Parnell was the Academic Team Coach and was very dedicated and honored to enhance her student's knowledge of all subjects. Mrs. Parnell enjoyed her time tutoring students before and after school, after retirement, and oftentimes would work problems from Facebook or text messages when students would need help with homework in college.
