On Friday August 24th it was brought to the attention of Porter Schools staff that a student had posted several pictures on social media. The pictures included two of our students, with one of them holding a shotgun. Another picture included the lyrics of a rap song, which did state "DON'T THINK THIS IS A THREAT IT'S A WARNING." We immediately contacted Wagoner County Sheriff's office to assist us. One of the students was not on campus and the other was escorted to the office. At that time, the student made some comments to the Wagoner County Sheriff's deputies and was taken into custody.

The social media posted did not directly threaten Porter Schools or any of its staff or students. We did take all precautionary measures to ensure that all students and staff members were and are safe. We will continue to cooperate with Wagoner County Sheriff's Office during their investigation.
