

REGULATION
BOMB THREAT PROCEDURES

In the event of a call or notice to the effect that a bomb has been placed anywhere on school grounds, the following procedures will be followed:

1. Immediate evacuation of the school and all buildings
2. If the fire and police departments did not receive the original call, they must be notified immediately.
3. The fire department or the county sheriff's deputies shall conduct a search of the building and premises.
4. If a thorough search has been conducted and nothing found, the administrator in charge will notify the fire department personnel and sheriff deputies so that reentry will be permitted.
5. A request for investigation of the incident should be made to the county sheriff.

Any decisions concerning the dismissal of school and subsequent action after the above procedures have been followed is the prerogative of the superintendent.
