

STUDENT ACTIVITIES

The Tonkawa Board of Education believes that student activities are important to the full educational growth of its students. School administrators shall strive to achieve equitable participation opportunities and positive recognition to students, while working to enhance the achievement of desired educational goals. To meet this end, the board supports local, regional and state activities.

This school district shall be a member of the Oklahoma Secondary School Activities Association. Rules and regulations of the association will be strictly adhered to by all concerned in activities sponsored by the Oklahoma Secondary School Activities Association.

Every student who competes in athletics must have written permission of his parents and must pass a physical examination. All students who represent the school in academic, athletic or music competition must be passing all subjects.

Any activity to be scheduled on the school calendar should be scheduled by the sponsor through the principal one month before the event.

Students must be in attendance 90% of the time. Those who have failed one class during the week shall be placed on scholastic probation for the following week. If the student fails a class during the probation week, that student shall not be allowed to participate in any extra-curricular activities during the following week or any week thereafter until the grades are satisfactory. Each Friday morning, teachers shall report to their principal a list of all students who are failing their classes. The principal shall publish a failing list each week.
