Dear Wortham ISD families,

This month, the U.S. Department of Agriculture (USDA) announced waivers that will allow Wortham ISD to make free meals available to all children ages 18 and under through the end of the 2020-2021 school year. Beginning November 2, 2020, any child may receive free breakfast and lunch Monday through Friday. During these unprecedented times, we are thankful for the flexibilities offered by the USDA that will allow all children to have access to nutritious food at no cost to the families.

All students, both in-person and remote, will be able to take advantage of the free meals, and if you have children who are not yet in school and would like meals for them, please contact the Food Nutrition Department at 254-765-3095 so we can have grab-and-go meals available for them as well.

Please note that any cafeteria charges accrued through October 30, 2020, will still be outstanding until the balance has been paid.

If you have questions, please contact us at 254-397-3095.

Sincerely,

A handwritten signature in blue ink that reads "Melissa Bosley".
