WE RECOMMEND: A binder for organization and to keep daily classroom supplies. Binders should be brought to every class and may store: paper, a pencil bag with writing utensils, scissors and glue sticks.

****Reminder: All backpacks must fit into lockers. Backpacks will NOT BE ALLOWED in the classroom.****

**It is a great idea to stock
up now!!!**

Buy several "extras" to keep at home and replenish supplies as needed. Later in the year supplies are hard to find and are much more expensive.
