

MAGNET COVE SCHOOL DISTRICT

MCSD Support Plan 2019-2020 School Year

The Magnet Cove School District approves the School Improvement Plans submitted by Magnet Cove Schools for the 2019-2020 school year. The District will allocate all necessary and appropriate fiscal resources and human resources so that each school's plan can be implemented with fidelity in support of targeted areas identified as responses to intervention and professional learning communities.

School District Support Goals

- 🐾 Magnet Cove School District will support MC Elementary and MC High School in the implementation of the PLC process.
- 🐾 Magnet Cove School District will support grades K-8 in the implementation of the Capturing Kids' Hearts process.
- 🐾 Magnet Cove School District will support MC High School (7-12) in response to intervention.

School District Resource Allocation

- 🐾 Magnet Cove School District will allocate funds from professional development budget and Title I to train administrators and staff (K-8) in the Capturing Kids' Hearts process.
- 🐾 Magnet Cove School District will allocate resources from operations budget to provide necessary resources to implement professional learning communities and response to intervention.
- 🐾 NSLA funds will be allocated for District ACSIP Coordinator stipend, and Title I, IV, and IIA funds will be combined to support the schools in response to intervention activities.

School District Actions

- 🐾 District will monitor the implementation of Professional Learning Communities within each school.
- 🐾 District will monitor the implementation of Response to Intervention in the schools.
- 🐾 District will monitor the implementation of the Capturing Kids' Hearts process.
- 🐾 Monthly district level meetings will be conducted to review data, monitor progress, and adjust plans accordingly.
- 🐾 District ACSIP Coordinator, Candiss Bennett, will monitor the implementation of each school's improvement plan.

*Approved by the Magnet Cove School Board on May 20, 2019.
