## A note from Nurse Shawn:

**Flu shots-** Reminder to get those flu shots. Flu season is here.

### **Immunizations-**

Students age 11 need two immunizations. Immunizations needed are Tdap and MCV4. **Do not get until they turn 11. By law** you have 30 days from the day your child turns 11 to get their immunizations up to date and provide proof to the school.

Students age 16 need their second MCV4. Again, **do not get until after they turn 16. By law** you have 30 days from the date they turn 16 to get their immunizations up to date and provide proof to the school. With the holidays approaching, I wanted to remind you guys so you could get these over break if your kiddos turns 11 or 16.

**REMINDER:** Due to COVID 19 we WILL NOT be accepting outside deliveries. (birthday gifts, Valentine's day gifts, balloons, etc.) If you have any questions, please feel free to call. Thank you for your help in this matter.

**Virtual Friday Information:** Students that have completed all assignments and don't need extra help, may choose to stay home on Friday's for a virtual day. The students that come to school will rotate classrooms together. Since they are on the chromebooks SO MUCH, we are telling them to put them away and read. **We will still have athletics and band practice on site. \*\*\*\*\*Please make sure to message us on the Remind app to let us know that your child will be virtual that Friday, or they will be marked with an unexcused absence!** Students with four or more unexcused absences will be reported to our truancy officer. The Remind app code for 6-8 Attendance is @20absent.
