5. Student placement will be determined by the date and time the Magnet School application is received at Marion Junior High School Arena on April 14th, 2018. All applications will be entered on a first come, first serve basis in the order in which the application is received. (NOTE: Marion School District retains the right to make inter-school transfers based solely at the district's discretion.)
6. Parents should complete one application per child.
7. Sibling preference may be granted, if space is available. The brother or sister may reside in the same household.
8. Notification letters of placement will be mailed in May to the address on file with Marion School District. (Please make sure your address remains current with our Marion School District Central Office; 870-739-5100.)
9. If your student does not receive placement in his/her first choice magnet school, the student will be placed in his/her second or third choice magnet school. The student will be placed on a waiting list for his/her first choice magnet school. If an opening becomes available for his/her first choice magnet school within the first nine weeks, the parent will receive a phone call.
10. *After* April 14th, Magnet School applications may be dropped off at the Marion School District Central Office at 200 Manor Street in Marion or any MSD elementary building: Avondale Elementary School; Marion Elementary School; Marion Intermediate School.
11. *FYI:* The Magnet School application is different from the School Choice application. If you live outside of the Marion School District, you will need to complete both a Magnet School application indicating your choice of magnet school for your student(s) and a School Choice application by May 1st, 2018.
