

# We are going on a field trip!

Periodically throughout the year, Atoka High School will be taking trips as part of the ICAP instruction. We will provide all three meals as we do each day and return in time for the normal bus routes. All field trip days are regular school days and students are expected to be in attendance. If a student is not in attendance this will be a regular absence. Students will receive a grade for participating in all ICAP field trips. The first trip will be on Thursday, August 29, to Spartan Aeronautical School, Tulsa, OK.

Please relay to us any medication needs of your student.

Please relay to us any nutritional needs of your student.

Your child will not need ANY money for this trip.

If you have any questions contact the High School Office –580-889-3361

**Return the bottom of the form for your student to attend the field trip.**

---

**I give permission for (student) \_\_\_\_\_ to go on the ICAP Field Trips during the 2019-2020 school year.**
