

Running eSchool with Internet Explorer 10 or greater

To open eSchool in compatibility mode on Internet Explorer 10 or 11, follow the steps:

- a) Open Internet Explorer 10 from the desktop.
- b) Press the Alt key on the keyboard to enable the menu bar, if it is disabled.
- c) Click on **Tools** tab on the menu bar.
- d) Click on **Compatibility View settings**.
- e) Add the website address (k12.ar.us).
- f) Click on Add.
- g) Click on Close.
