

Stonewall Public School

ESSER III Budget

June 9, 2021

30 - 40%: Evidence based interventions, summer school programs, support personnel, materials/curriculum, and/or other resources that address the academic, social, emotional, and mental needs of Stonewall Public School students.

1. Alpha Plus- a supplemental curriculum and benchmark assessments to ensure mastery of skills
2. Counselors- to address academic, social, emotional, and mental needs.

60 - 70%: Surface upgrades (flooring/countertops), remodeling spaces, transportation, HVAC upgrades and/or other needs that allow Stonewall Public Schools to prepare, prevent, and respond to COVID-19

1. Salaries and fringe benefits for maintenance to sanitize, clean and basic operation to reduce the risk of virus transmission
2. Resurfacing the flooring in the elementary school and high school.
3. Maintenance, repair, replacement, upgrade to Air/Heat units
4. Repairs and improvements to reduce risk of virus transmission (examples: upgrades in surfaces, flooring, water fountain upgrades/replacements)
5. Asbestos inspection and cleaning up exposed asbestos to prepare for resurfacing the floor
6. Upgrade projects to air cleaning, fans, windows, and doors
7. Oklahoma School Insurance Group
8. Technology to better serve students
9. Supplies to sanitize and clean the facilities
