

Cedarville Public Schools

District/School Status for 2016-17:

- District - Achieving
- High School - School Improvement Focus Met Yr 1
- Middle School - Achieving
- Elementary School - Needs Improvement

****Statuses were frozen due to ADE changing state testing from PARCC to ACT Aspire***

Cedarville High School has met one of the two years required to become an Achieving school district--emphasis has been placed on Mathematics by providing an Academic Life Coach to assist the at-risk mathematics students, by supplementing the math instruction with test-taking strategies and content bellringers/exit tickets, and focusing on RTI instruction.

Cedarville Elementary School has redesigned their instruction to include a comprehensive RTI program, hired a Literacy Specialist/Interventionist to train additional staff to help with intervention, began aligning curriculum and began an after-school program which includes tutoring to improve literacy achievement.

District/School Status for 2015-2016:

- District - Achieving
- High School - School Improvement Focus Met Yr 1
- Middle School - Achieving
- Elementary School - Needs Improvement
