Foreword

The purpose of this booklet is to inform faculty, students, and parents of the rules, regulations, and policies that apply to the high school setting. With this foreknowledge, it is hoped that all students will meet and exceed the expectations set forth and have a successful and enjoyable school year.

We, the administration and faculty of Crowder High School, take this opportunity to say hello and welcome you as a partner in your child's education. We ask that you join us in encouraging your child to abide by the rules and policies adopted by Crowder Public School Board of Education. It is essential that we, as teachers and parents, cooperate in every possible way. With your help, your child will be punctual, attend regularly and maximize efforts in adhering to these policies.

We invite all parents to visit your child's school. We strongly recommend that you communicate regularly with teachers and administrators concerning your child's education. We need each other--and our children need us both.

If you have any questions or particular problems, which do not seem to be covered in this booklet, please feel free to contact the high school principal's office at 918-334-3204 or 1-888-774-7470.

ACTIVITY CALENDAR

Individuals and organizations wishing to place activities on the local school calendar must have prior approval from the principal and/or athletic director.

These activities should be placed on the calendar at least two weeks before the activity is to take place. One week is the minimum amount of notice for placing an activity on the calendar.

ACTIVITY TRIPS

Students must go and return in school transportation that is provided. Special arrangements must be made with the activity sponsor if the students wish to return with their parents. Only students participating in the activity/game shall ride the bus. Permission slips for non-athletic trips will be obtained from parents before a student goes on such a trip. No pre-school children will be allowed on the bus.

ADMISSION

The Crowder Elementary School will admit students into kindergarten that is 5 years old on or before September 1. Students who are 4 on or before September 1 will be admitted into the P-K program. They must have birth certificate and a record of required immunizations. Students may be admitted as new students in grades 1-8 with appropriate enrollment forms, record of required immunizations and access to records of the previous school. Students must be residents of the district or legal transfer.

Crowder High School will admit students if they have not attained the age of 21 years on or before September 2 of the school year. Students must be residents of the district or legal transfers. Students must also have a record of required immunizations.

Students shall be admitted to high school after documentation that they have completed the requirements from an accredited eight-year elementary school, middle school, or junior high school.

AHERA POLICY

Crowder Public School has been inspected for asbestos under the AHERA Guidelines. I am happy to report that Crowder School has been found to be safe for our students, workers, and the general public. We do have some asbestos floor tile and linoleum. However, as long as it is not disturbed, our people will not be affected. A copy of the entire management plan, as submitted to the Department of Health, is on file in the Superintendent's office.

ASSEMBLIES

Assemblies provide Crowder students opportunities to demonstrate the courtesy, cooperation, and consideration that they have been taught at school and home. There are always outside visitors at our assembly programs, and it is a credit to the student body when they are able to comment on the courtesy of the students toward speakers, performers, and visitors.

Students should always remember that while programs are sometimes entertaining and relaxing, the primary purpose of assemblies is to be educational. Only as they are such can we justify having them during school hours. All students are required to attend assemblies unless excused by the principal.

ATHLETIC LETTERING PROGRAM

Policies of all sports regarding individual athletes.

- A. An athlete must complete the entire season of the sport of which he/she is participating to be considered eligible for a letter award in that particular sport.
- B. Any player permanently removed from the team for disciplinary reasons will not be eligible for an award.
- C. Any player who does not check in all athletic equipment that is the property of Crowder School will not receive his/her award until this negligence has been cleared with the athletic department and the office of administration.

BASKETBALL REQUIREMENTS FOR LETTERING

- A. A student wanting to enroll in basketball must get permission from the head coach before enrolling in that sport.
- B. Athletes, both boys and girls, must have played in at least one year of varsity ball to be eligible for a letter award.
- C. If a boy or girl participates for three full years of high school basketball but does not meet the above requirements then it will be left up to the discretion of the coach and administration to determine if the individual would receive a letter.
- D. The coach and administration will determine injured player eligibility.
- E. The above requirements include total games on schedule plus tournament play to meet the requirements of lettering

BASEBALL and SOFTBALL REQUIREMENTS FOR LETTERING

- A. A student wanting to enroll in baseball or softball must get permission from the head coach before enrolling in that sport.
- B. Players must play during the fall and spring sessions and participate in the games to be eligible for a letter award. Players that did not attend Crowder School during the fall will still be eligible for a letter award by playing during the spring session.
- C. The coach and administration will determine injured play eligibility.
- D. The above requirements include total games on schedule plus tournament play to meet requirements for lettering.
Due to rising costs, the school will no longer pay for letter jackets.

ATTENDANCE POLICY

School attendance is the responsibility of the parents and the students. Regular attendance is necessary to achieve success in the classroom. To help attain success, the Crowder School Board has adopted an attendance policy to aid in the success of all students. A student must be in attendance 87% of the time during each nine-week period. This means that if a student misses more than 12 times per semester (this **includes excused and non-excused absences** combined) then the student will receive no credit for each section in which this applies.

ATTENDANCE APPEAL COMMITTEE

If a student surpasses the 12 allotted absences for a semester, the parent/guardian may submit in writing a formal appeal to the attendance committee if they feel the absences were unavoidable. The appeal must be submitted to the HS office no later than 10 days following the semester wanting to be appealed. Documentation must be provided as to the reason/extent of the absences of each student. The committee will meet to determine the status of each individual student.

EXCUSED ABSENCE

Excused absences are given for the following reasons:

1. Illness or injury to student
2. Doctor/dental appointment (with doctor statement)
3. Death in family
4. Serious illness in immediate family
5. Unavoidable emergency
6. Religious observance, including travel time, upon advance notice to the building principal.
7. Any school sponsored Extra-Curricular Activity

All work missed due to excused absences must be made up to the satisfaction of the teacher. Time given for this make-up work should correspond to the time of absence—i.e., if absent two days, the student should be given two days, beginning the day of his or her return to make up the work. It is the responsibility of the student to make an appointment to see the teacher about this make-up work.

UNEXCUSED ABSENCES

Unexcused admits may be given for reasons other than the six reasons named above. The following are examples of unexcused absences even though parents may give permission:

1. Any absence for which the school is not notified the day of the absence
2. Truancy
3. Working on a car
4. Missed the bus
5. Failure of alarm to go off
6. Car failure (flats, etc.)
7. Working
8. Babysitting,
9. Visiting
10. Hunting/Fishing
11. Shopping
12. Going to out-of-town games or events
13. Going to the barber or hairdresser
14. Other absences that may be classified in the general area
15. (Principal will make final determination as to whether or not an absence is unexcused.)

Students who are absent without reason will be denied permission to make up class work which has been lost because of absence, and will receive a zero for each class missed. (This is an unexcused absence.)

AUTHORITY OF THE SCHOOL

Students are subject to the authority of the school and its officials when attending any school sponsored activity. This also applies to students as participants and spectators at any out of town school activities.

BUILDING HOURS

The buildings are open in the mornings at 7:50 a.m. Students should not be in the building before this hour. Teachers will not be on duty before 7:50, therefore playgrounds, halls, and rooms, will not be supervised before that time.

BUS RIDER RULES

Previous to loading (on the road and at school)

1. Be on time at the designated school bus stops. Keep the bus on schedule.
2. Stay off the road at all times while waiting for the bus. Students remain in vehicle with parents until buses have come to complete stop.
3. Wait until the bus comes to a complete stop before attempting to enter.
4. Be careful in approaching bus stops.
5. Bus riders are not permitted to move toward the bus at school loading zone until the bus has been brought to a complete stop.
6. Respect people and their property while waiting on the bus
7. Bring a note from their parents (signed) to be given to the principal, authorizing students to be discharged at places other than the regular stop. This also applies to bus riders not riding the bus after school. **STUDENTS WILL NOT BE ALLOWED TO MAKE CHANGES IF NO NOTE IS PRESENTED.** Phone calls to the principal are accepted
8. Even with a note the child may not be able to change to a different bus if the capacity of bus is met (ex. Child having party)
9. Seating chart may be put in place at discretion of bus driver and administration

While on the bus

1. Keep hands and head inside the bus at all times after entering and until leaving the bus.
2. Assist in keeping the bus safe and sanitary at all times.
3. Refrain from eating and drinking on the bus.
4. Remember that loud talking and laughing or unnecessary confusion diverts the driver's attention and may result in a serious accident, especially when approaching a railroad crossing.
5. Bus riders should never tamper with the bus or any of its equipment. Damage to seat, etc. must be paid for by the offender.
6. Keep books, packages, coats, and all other objects out of the aisles.
7. Help look after the safety and comfort of small children.
8. Do not throw anything out of the bus window.
9. Bus riders are not permitted to leave their seats while the bus is in motion.

10. Not have in their possession any form of tobacco, alcohol, or drugs.
This is strictly forbidden.
11. Horseplay is not permitted around or on the school bus.
12. Keep absolute quiet when approaching a railroad crossing.
13. Remain in the bus during road emergencies except when it may be hazardous to their safety.
14. Bus riders are expected to be courteous to fellow pupils, the bus driver, and the patrol officers or driver's assistants.

After leaving the bus

1. When crossing the road, go at least ten feet in front of the bus, stop, check traffic, and watch for the driver's signal, then cross the road.
2. Students living on the right side of the road should immediately leave the bus and stay clear of traffic.
3. Help look after the safety and comfort of small children.
4. The driver will not discharge riders at places other than the regular bus stop, except by proper written authorization from the parent or school official.

CAFETERIA CHARGE POLICY

The Crowder School District has adopted the following charge policy for Child Nutrition Programs (cafeteria):

Each student will be limited to \$30.00 in charges. Students who exceed this limit will not be able to charge in the cafeteria. Rather than allow a child to go hungry, the school will provide a supplemental meal (i.e. peanut butter and jelly sandwich and milk) when students wish to eat in the cafeteria but have exceeded the charges allowed.

This supplemental meal is intended to be only occasional when the students forget to bring money and if it becomes excessive it may be considered neglect on the parent's behalf and the school officials may need to set up a meeting with the parents or take other action.

CAFETERIA RULES

In order that the cafeteria may be clean, orderly place where students like to come, certain things must be observed.

1. Keep your place in line. Running or crowding in line is never in order.
2. Do not hold a place in line for friends. This is not fair to those students already in line.
3. Observe the rules of etiquette and order in the lines and at the tables as though you were in the dining room of your own home.
4. Finish your lunch, including desserts, drinks, etc., before leaving the dining room, to avoid littering the halls and campus.
5. Students should see that milk, drink containers, and other items are taken with their lunch trays to dishwashing window.
6. Do not place books on top of the milk boxes as this causes damages to the boxes.

CAFETERIA MEAL PRICES

STUDENTS

Lunch:	\$1.50
Reduced Lunch:	.40 cents
Breakfast:	.85 cents
Reduced Breakfast	.30 cents
Milk:	.25 cents

Students who qualify for reduced price meal tickets should go to the principal's office for the forms to be filled out by your parents.

CHAIN OF COMMAND

Whenever a student or parent has a question, it is proper to go through the chain of command. Chain of command simply means to contact the teacher first. If not satisfied with results, go to the principal, then superintendent, then Board of Education. Taking your problem directly to the superintendent or Board will only cause them to revert it back to its beginning. High school students must get permission from the Principal before going to the Superintendent's office.

CHANGE OF ADDRESS

**Any student who changes address or phone number during the school year must report these changes to the principal.

CHANGING CLASSES

A student may not change classes or withdraw from a class after five school days from enrollment, unless the principal approves it. The student must fill out a drop and add card in the's office. No class changes will be made or be official until this is done.

CHILD FIND

Project Child Find is a project of the Crowder Education Program for Exceptional Children designed to comply with Public Law 94-142, the Education for All Handicapped Children Act. The goals of Project Child Find are:

- To locate and identify non-served handicapped children, ages birth to twenty-one who live in the School District.
- To increase the general populations awareness of public school services for school age children.
- To work with the Oklahoma State Department of Education in assessing the need for future programs and in planning programs which will provide free appropriate education for all handicapped children. If you know of a handicapped child who does not attend school, call collect, PROJECT CHILD FIND at (918) 334-3205.

CLASS RINGS

Students will order and receive their class rings during their junior or sophomore year.

CLASSROOM PARTIES

Classroom parties will be kept to a minimum not to exceed a maximum total of three per school year. All requests for classroom parties must be made through the principal at least two weeks in advance of the party.

CLOSED CAMPUS

To help insure students' safety and welfare, students are to remain at school during the lunch period. Lunches may be purchased in the cafeteria or sack lunches may be brought from home.

After arriving on campus you are not to leave the school grounds until school is dismissed at 3:15 p.m.

CONCURRENT ENROLLMENT

Concurrent enrollment is open to Juniors and Seniors. This is an opportunity for students to earn college credits while they are attending high school. Concurrent enrollment taken at a college does count toward high school credits as well as qualifying towards advanced courses when calculating Valedictorian and Salutatorian honors. If you think you qualify, contact the counselor.

CONDUCT IN THE HALLS

Students must pass through corridors quietly. Classes using the bell system shall consider a student to be tardy if that student is not seated and ready for class when the second bell rings. All students who are permitted to leave their classrooms during a class time must have their teacher's written permission (hall pass). This should be kept at an absolute minimum. During lunch breaks and recesses, students should not be in the halls except to pass through.

Remember for hall traffic to flow smoothly and safely:

1. Always walk to the right
2. Never run in the hallways
3. Avoid loud talking and laughing
4. Wait your turn at drinking fountains
5. Do not loiter in the halls or restrooms
6. Use the restrooms—DO NOT ABUSE them! (Violations will result in firm disciplinary action.)

CONFERENCE WITH PARENTS

1. The principal will seek to hold a conference with the parent or guardian as soon as possible after the out-of-school suspension has been imposed. The parent should be advised of his/her right to a conference with the principal at the time he/she is notified that an out-of-school suspension has been imposed.
The conference will be held during regular school hours, Monday through Friday, with consideration given whenever possible to the hours of working parents.
2. At the conference, the principal will read the policy, rule, regulation which the student is charged with having violated and will briefly outline the conduct or behavior on the part of the student. The principal will also explain the basis of an out-of-school suspension rather than the use of alternate options. The principal should ask the parent if he/she understands the rule and the charges against the student.
3. At the conclusion of the conference, the principal shall state whether he/she will terminate or modify the out-of-school suspension. In all cases the parent will be advised of his/her right to have the out-of-school suspension reviewed by the Suspension Committee as provided by this policy. If the parent is in agreement with the principal's decision, he/she will be requested to sign a waiver or review.

CREDIT RECOVERY

Senior students who are not on pace (within 1 credit or less of graduation requirements) to fulfill all necessary graduation credit requirements may be offered an opportunity to recover this missing credit (not to exceed 8 credits for the year). The district will be responsible for the cost of the recovery, under the condition that the student passes the course. Otherwise, the obligation will fall on the student, parent, or legal guardian.

CURRICULUM

The curriculum for Crowder Schools will meet the Oklahoma State Department of Education requirements appropriate to and sequenced for the age and grade served. These outcomes will be available for review by parents or guardians in each classroom. Instruction shall be based on the selection and implementation of activities, which enable each student to achieve the goals and objectives of the curriculum.

DANGEROUS WEAPONS

Dangerous weapons, including, but not limited to firearms, are a threat to the safety of the students and staff of Crowder Public School. In addition, possession of dangerous weapons or replicas or facsimiles of dangerous weapons disrupts the educational process and interferes with the normal operation of the school district. Possession by any student of a dangerous weapon or a replica or facsimile of a dangerous weapon, while on school property, including vehicles, at school sponsored or authorized activities, or going to or from school sponsored or authorized activities, is prohibited. For purposes of this policy, “possession of a dangerous weapon” includes, but is not limited to, any person having a dangerous weapon:

1. on his/her person
2. in his/her locker
3. in his/her vehicle
4. held by another person for his/her benefit
5. anywhere on school property, including vehicles, at a school sponsored or authorized activity with such person’s knowledge of the weapon’s location.

DISCIPLINARY OPTIONS

Administrative response to student misconduct is a matter that directly influences the individual and the morale of the entire student body. The goal of administrative discipline is to create a situation in which the student can

learn to discipline him/herself. As such, discipline of students will be based on a careful assessment of the circumstances surrounding each infraction (i.e. the student's attitude, the seriousness of the offense, the offenses effect on other students and any previous infractions.)

In administering discipline, we will consider various methods of correction and/or punishment to insure that the most effective discipline is administered in each case.

Various methods of correction or punishment include, but not limited to the following:

- Warn students (written and/or verbal)
- Advise parents
- Apologize
- Right the wrong
- In house detention
- Compensate monetarily
- Remove from class or group (temporary or permanent)
- Refer to other Social Agencies
- Probationary period
- Parental conference
- Lunch detention
- Corporal punishment
- Involve Law Enforcement
- Suspension (short-term 10 days or less)
- Suspension (long-term 10 days or more)
- Written Assignments
- Any other disciplinary action deemed appropriate under the circumstances

In cases that may end in suspension, students have a right to fair and orderly hearing, appeal, council, and due process. Nothing in these discipline options shall be construed to deem otherwise.

A teacher or an administrator may administer corporal punishment. An administrator must be present when corporal punishment is administered. No student shall receive more than three swats a day. A parent or guardian must sign a parental consent form stating their choice of paddling or suspension. If corporal punishment is chosen, the parent or guardian may choose to be notified or not notified beforehand. The form will be valid for the duration of their child's enrollment in Crowder School unless written notification of change is received.

DISCIPLINE CODE

The teacher or administrator shall have the same right as a parent or guardian to control and discipline a child while the child is in attendance in school or in school vehicles to or from the school or while attending or participating in any school function authorized by the school district.

The students will accept the punishment, as designated by the administrator and/or teacher, or be suspended from school until a parent or guardian returns with them for a conference with the administrator and teacher involved. This is not an all-inclusive list, nor is it intended to be. It is impossible to list every infraction that may occur; however, any misconduct on the part of a student is subject to appropriate disciplinary measures by teacher or administrator.

DISTRICT'S OBLIGATION

Before the District, through its designated representatives, recommends out-of-school suspension, alternative in-school placements including, but not limited to: placement in an alternative school setting, reassignment to another classroom, placement in in-school detention, or other available disciplinary or out-of-school suspension but shall be treated as disciplinary or correctional actions that may be used, if warranted, as an alternative to out-of-school suspension. **STUDENTS IDENTIFIED AS DISABLED UNDER THE INDIVIDUALS EDUCATION ACT OF SECTION 504 OF THE REHABILITATION ACT OF 1973 AND WHO ARE SUSPENDED OUT-OF-SCHOOL OR RECEIVE DISCIPLINARY REMOVAL FROM THE CLASSROOM REQUIRE ADDITIONAL PROCEDURAL CONSIDERATIONS.**

- e) Possession of a dangerous weapon or a controlled substance, as defined in the Uniform Controlled Substance Act. Possession of a firearm shall result in out-of-school suspension as provided in the District's policy related to Firearms.
- f) Use of cell phones During School Hours.

In the event of a suspension for any the reasons listed above, an education plan as discussed in part 5 (Out-of-School Suspension Requirements), below shall be applicable for acts which fall with in part "e" above. Students suspended of a violation offense directed toward a classroom teacher should not be allowed to return to the classroom without the teacher's prior approval. Whether an offense is considered a violent offense, requiring an affected teacher's approval as a condition of return to a particular classroom shall be based on applicable Oklahoma criminal law distinguishing between violent and nonviolent offense.

PRE-OUT-OF-SCHOOL SUSPENSION CONFERENCES

1. When a student violates board policy or a school rule or regulation or has been adjudicated as a delinquent for an offense that is not a violent offense (as set in Okla. State. Title 57, Section 571), the principal shall conduct an informal conference with the student.
2. At the conference with the student the principal shall read the policy, rule, or regulation, which the student is charged with having violated, and shall discuss the conduct of the student, which is a violation of the policy, rule, or regulation.
3. The student shall be asked whether he/she understands the policy, rule or regulation and be given a full opportunity to explain and discuss his/her conduct.
4. If it is concluded that an out-of-school suspension is appropriate, that student should be advised that he/she is being suspended and the length of the out-of-school suspension.
5. The principal shall immediately notify the parent by phone and in writing that the student is being suspended out of school and that the alternative in-school placement or other available options have been considered and why they were rejected. Elementary and middle school students shall not be dismissed before the end of the school day without advanced notice to the parent.

IMMEDIATE OUT-OF-SCHOOL SUSPENSION WITHOUT A PRE-OUT-OF-SCHOOL SUSPENSION CONFERENCE

1. A student may be suspended out-of-school without the above pre-out-of-school suspension conference with the student only in situations where the conduct of the student reasonably indicates to the principal that the continued presence of the student in the building will constitute immediate danger to the health and safety of the students, or school employees, or to school property, or a continued substantial disruption of the educational process.
2. In such case, an out-of-school suspension conference with the student and the parent or guardian will be scheduled as soon as possible after the student has been removed from the building.

OUT-OF-SCHOOL SUSPENSION REQUIREMENTS

1. An out-of-school suspension shall be long-term or short-term. A long-term out-of-school suspension shall be an out-of-school suspension in excess of ten (10) school days. A short-term out-of-school suspension shall be a period of ten (10) or fewer school days.
2. In no event should an out-of-school suspension extend beyond the current school semester and succeeding semester, except in the case of possession of a firearm in which case an out-of-school suspension for up to one calendar year is appropriate. Out-of-school suspensions involving firearms are governed by the School District's Gun-Free School Policy. Out-of-school suspensions should have a definite commencement and ending date; indefinite out-of-school suspensions are not permitted. It is recommended that out-of-school suspensions beyond ten (10) days be imposed only in serious situations.
3. Out-of-school suspensions should be consistent; that is, one student should not be suspended for a few days another student suspended out-of-school for an extended period for the same or similar offense. However, the principal may take previous conduct and previous disciplinary actions and out-of-school suspensions of the student into consideration.
4. Out-of-school suspensions until the student performs some remedial act are not permitted; however, the student may be advised that an

- out-of-school suspension of definite length will be terminated at an earlier date if he/she performs a prescribed remedial act or acts.
5. Out-of-school suspensions, in excess of five (5) days, shall include an Individualized Plan for Out-of-School Suspension (“Plan”) which shall describe whether a home-based school work assignment setting or other appropriate work setting. The plan shall be prepared by the principal with the assistance of other school employees as warranted by the circumstances of the out-of-school suspension. The plan shall provide for the core units in which the student is enrolled. Core units shall consist of the minimum English, Mathematics, Science, Social Studies, and Art units by the Oklahoma State Department of Education for grade completion grades kindergarten through eighth and for high school graduation in grades nine through twelve. A copy of the Plan shall be provided to the student and parent or guardian.
 6. The parent or guardian shall be responsible for a provision of a supervised structured environment in which the parent or guardian shall place the student. The parent or guardian shall bear responsibility for monitoring the student’s educational progress until the student is remitted into school. The Plan shall set out the procedure for education and shall also address academic credit for work satisfactorily completed.

RIGHT-OF-APPEAL FOR ALL OUT-OF-SCHOOL SUSPENSION

A parent or the student may appeal the out-of-school suspension decision of the principal to the Superintendent of Schools and the Board of Education.

METHOD OF APPEAL TO THE SUPERINTENDENT OF SCHOOLS OR HIS/HER DESIGNEE

1. An appeal can be presented by letter to the Superintendent of Schools.
2. If no appeal is received within five (5) calendar days after the principal’s decision is received by the parent or student, the principal’s out-of-school suspension decision will be final.
3. The Superintendent of Schools or his/her designee should hold a conference with the parent or guardian as soon as possible after the receipt of appeal. The conference will be held during the regular school hours, Monday through Friday, with consideration given to the hours or working parents whenever possible.
4. At the conference, the Superintendent of Schools or his/her designee will read the policy, rule, or regulation which the student is charged

with having violated and will briefly outline the conduct of the part of the student. The parents should be asked by the Superintendent of Schools or his/her designee if he/she understands the rule and the charges against the student.

5. At the conclusion of the conference, the Superintendent of Schools or his/her designee will state whether he/she shall terminate or modify the out-of-school suspension. In all cases, the parent shall be advised of his/her right to have the out-of-school suspension reviewed by the Board of Education. If the parent is in agreement with the decision of the Superintendent of Schools or his/her designee, he/she shall be requested to sign a waiver of review by the Board.

METHOD OF APPEAL TO THE BOARD OF EDUCATION

1. An appeal can be requested by letter to the Superintendent of Schools or to the Clerk of the Education Board.
2. If no appeal is received within five (5) days after the decision of the Superintendent of Schools or his/her designee is received by the parent or student, the decision of the Superintendent or his/her designee will be final. A direct to the Board requires the student, parent, or guardian to file the written request for appeal within five (5) days of receipt of the principal's decision.

HEARING THE APPEAL

1. The Board will hear the appeal as soon as possible. The Board's decision is final and nonappealable.
2. The parent and student will be notified in writing of the date, time, and place of the hearing.
3. The parent and student will have the right to an "open" or "closed" hearing, at their option.
4. Reasonable efforts will be made to accommodate the work schedule of parents.

PROCEDURE FOR STUDENT OUT-OF-SCHOOL SUSPENSION APPEALING HEARING BEFORE THE BOARD OF EDUCATION

1. The Board President should:
 - a. Announce that the next agenda item is an out-of-school suspension review hearing for the student stating his/her name.

- b. Ask whether the parents/child wish the hearing to be open or in executive session. The offer of an open hearing and their response is to be made a part of the minutes of the meeting. If parents/child request a closed hearing, a motion to go into executive session per their request should be made and voted on.
2. The Board President should advise the parents/child:
 - a. That they are entitled to legal counsel, if they desire it.
 - b. That the administration will present its witnesses first and that after each witness the parents or legal counsel will be given an opportunity to cross-examine.
 - c. That the parents/child will be given an opportunity to call any relevant witnesses and present any relevant evidence they may wish, subject to cross-examination by legal counsel for the administration.
 - d. The Board will consider the evidence and documents and reach a decision which will be recorded by vote in open session.
 - e. That the parents/child may ask any questions about the procedure. The parents/child may call witnesses and present any documents subject to cross-examination.
3. Following presentation of 1 and 2 above, all administration witnesses and documents should be presented subject to cross-examination.
4. Parents/child may call witnesses and present any documents subject to cross-examination.
5. After each witness is presented, School Board members may ask the witness any questions.
6. Parent's/child's closing statement.
7. Administration's closing statement.
8. Deliberate in private. (If the hearing is not in executive session, the Board may deliberate in executive session only with permission of the parents or student.)
9. Return to open session and vote. After adopting a motion making certain findings of fact the Board must make a motion to (1) affirm the out-of-school suspension; (2) modify the out-of-school suspension (increase or decrease the severity of the out-of-school suspension);

ATTENDING SCHOOL PENDING APPEAL HEARING

Pending the appeal hearing of an out-of-school suspension to the Board, the student will have the right to attend school under such "in-house"

restrictions as the principal deems proper, except at the discretion of the principal, the student may be prohibited from attending school pending any appeal hearing if in the judgment of the principal:

- a) The conduct for which the student was suspended out of school reasonably indicates that continued attendance by the student pending any appeal hearing would be dangerous to other students, staff members, or school property:
- b) The conduct for which the student was suspended out of school reasonably indicates that the continued presence of the student at the school pending any appeal hearing would substantially interfere with the educational process at the school.

STUDENT PRIVILEGES WHILE UNDER OUT-OF SCHOOL SUSPENSION OR UNDER OTHER DISCIPLINARY OR CORRECTIONAL MEASURES

Participation in the extracurricular activities of the school is a privilege and not a right. Accordingly, when a student's behavior results in a determination by the principal of an out-of-school suspension, the student immediately, notwithstanding the filing of an appeal, forfeits the privilege of participating in all extracurricular activities of the school. In addition, when a principal determines to impose alternative in-school disciplinary or other correctional measures against a student, then the student will not be permitted to participate in any extracurricular activities offered by the school during the term of the discipline unless, in the sole judgment of the principal, such participation is appropriate given the nature of the offense committed by the student.

“Extracurricular activities” include, but not limited to, all school sponsored teams, clubs, organizations, ceremonies, student government, band, athletics, and all other school sponsored activities and organizations.

TARDY TO CLASS

Tardiness is defined as the late arrival of a student after the scheduled time that a class begins. Students should be in their chairs and prepared to begin class when the second bell rings. The principal will decide if a tardy is excused or unexcused. Teachers should not cause students to miss or be tardy to another class. If an unavoidable situation warrants a teacher to detain a student, the teacher must give the student a written pass to the principal's office before the student may enter the next class. A student who is twenty (20) minutes tardy will be counted absent.

Excessive tardiness will be referred to the principal for disciplinary action. Each individual tardy will result in noon detention, and every third tardy will result in all day in school detention and an absent.

TEXTBOOKS

District owned textbooks will be checked out to all students for each class. The student is responsible for the care of his/her books. They must be turned in at the close of each year. If damaged or lost, the student must pay for the books before his/her grades will be recorded on his/her permanent record. If books are found later, a refund of the charge will be made to the student. Book payment will be determined by the cost of the replacement book.

TOBACCO FREE ENVIRONMENT POLICY

The district prohibits tobacco in any form including e-cigs and vapor products. Tobacco will not be used by anyone, anywhere, anytime (including non-school hours and days) on school grounds, property, vehicles and during any school sponsored functions held off campus. Our goal is to provide a safe and healthy environment for our students, staff and community and set the proper example for our students.

TORNADO ALERT

Tornadoes are apt to appear at any time of the year. Each teacher will instruct students of the proper procedure to follow during a tornado alert.

TRANSPORTATION

All buses used by Crowder School meet State Department of Education requirements and operate in cooperation with their regulations. Safety is of first importance. All students are urged to use care in loading and unloading, always use the handrail and always remained seated as long as the bus is in motion. Students should regard the bus as a classroom as far as conduct is concerned. The bus driver is a school employ and has a similar authority over students as a teacher. Remember, from the time you leave home until you return you are subject to school regulation. Riding a bus is a privilege that a student can lose if proper conduct is not observed.

TRUANCY

A student is considered truant when he or she leaves school without the permission of the principal or if he or she is absent from school without the knowledge and consent of his or her parents or guardian. Skipping a class is also considered truancy. The student will be given an unexcused admit, and class work or tests missed as a result of truancy will be recorded as an "F." Truancy may result in suspension out of school.

USE OF MEDICATION

Crowder School does not supply any medicine. Medicine for medical emergencies has to be supplied by the parents. Keep in mind that Crowder is 15 miles away from the hospital facilities. It will take approximately 20 minutes to reach the school from McAlester. The only medication the school gives is what parents bring to the school. Antibiotics ordered three times a day can be given before and after school and at bedtime.

If medicine has to be given at school, please follow these requirements:

1. Bring the medicine in the ORIGINAL CONTAINER. (No pills in plastic bags or single dose packets).
2. If it is a prescription, then ask the pharmacist to label two bottles (one for school and one for home).
3. If the prescription label is on the box, you must send the box.
4. Send the original container on non-prescription medicines. It lists the ingredients and strength of each ingredient.
5. Medicine will be given as the prescription states or according to the directions for an over-the-counter medicine.
6. Parents requesting different directions (than what is stated on the container) will have to be cleared through the child's physician. The school will need a written or faxed statement from the physician.
7. Narcotic drugs and medication for ADHD will have to be hand delivered by the parent.
8. No student is allowed to keep medicine with them except for students with diabetes, asthma or severe allergies who have to carry emergency medicine. The school will need a copy of the pharmacy label for the asthma inhaler for those students who will be carrying them also, students who are allowed to self-administer anaphylaxis medication shall be permitted to possess and use anaphylaxis medication at all times for the school year in which permission for self medication is effective. Students carrying emergency medicine

for severe allergies of diabetes will have to give the school instructions signed by a physician.

9. Students who have legitimate health need for over-the-counter or prescription medication at school shall deliver such medication to the principal with parental authorization, in compliance with Oklahoma law school policy and procedures regarding administering medicines to students.

If you have any questions you can call the school at 334-3204/3205 or toll free number 1-888-774-7470 or fax to 334-3295.

Please include the following information when you do send medicine to be given at school:

Student Name: _____ *Age:* _____

Grade: _____ *Medicine:* _____

Amount to give: _____ *How often to give:* _____

Medicine is to remain at school or return at end of day or end of week.

In Oklahoma, the Attorney General has ruled that it is the duty of school officials, i.e., principals, to refuse admission to any school in the State of Oklahoma to any child who does not have the required certificate of immunization or exemption. Children following a medically approved schedule for completion of adequate immunization may be allowed to attend school. That schedule must be followed or the child will be excluded from school.

USE OF TELEPHONES

Telephone calls may be made to the school office between the hours of 8:00 a.m. and 4:00 p.m. Students will be called to the phone only in extreme emergencies. Only messages of an urgent nature will be delivered to students. Forgotten books, assignments, supplies, etc. do not constitute an emergency. Other than that, students will only be allowed to return calls between classes.

VISITORS

We encourage visits from parents to discuss the schoolwork of their child. Such visits promote a better understanding of the efforts of the

school; however, all visitors must first report to the principal's office before going to any other part of the building. Parents desiring a conference with their child's teacher will be required to schedule an appointment with the teacher in advance in order to avoid disruption of the classroom schedule. All conferences must be cleared through the principal.

WIRELESS COMMUNICATION DEVICES

Any electronic wireless communication device (cell phone, walkie-talkie, pager, or ect.) while on school property or during a school sponsored activity during school hours are required to be turned off. Any student using their phone for any reason or receiving a call will face disciplinary actions. This includes calling or texting parents due to illness.

First offense: Parent or legal guardian must retrieve the communication device from the school and 1 day of Suspension.

Second Offense: Parent or legal guardian must retrieve the communication device from the school and 2 days of Out of school suspension.

Third Offense: Parent or legal guardian must retrieve the device from the school; 3 days of out of school suspension; and student must bring phone in office every morning following this offense.

WITHDRAWAL FROM SCHOOL

When a student finds it necessary to withdraw from school, a parent or guardian should contact the principal. The student must pick up a form from the principal's office, which is to be signed by his/her individual teachers, indicating that books and materials are returned to the proper location. All fines must be paid and all property belonging to the school returned before transcripts will be forwarded.

*It shall be unlawful for a parent, guardian, or other person having custody of a child to neglect or refuse to cause or compel such child to attend and comply with the rules of some public, private, or other school, unless other means of education are provided for the full term the schools of the district are in session or the child is excused for mental or physical disability to be determined by the board of education upon certificate of medical professional. Violation is a misdemeanor and shall be punished by a fine of not less than five dollars (\$5.00) nor more than one hundred dollars (\$100.00) for each subsequent offense. (70-10-105)
