

Celeste ISD

ERATE 2018-2019

RFP: Switches

Celeste ISD is seeking competitive bids for Network Switches and Modules.

Project Details:

- Switch installation/configuration must be included in proposal.
- Interested vendors must be familiar with the USAC Schools and Libraries ERATE program and have a current SPIN number.
- Proposals must include pricing for equipment, licenses, installation/configuration and itemized by eligible products and services and ineligible products and services.
- Please include the SPIN number on your proposal.
- Vendor is expected to provide the Lowest Corresponding Price per USAC ERATE rules.
- Bidder must agree to allow discount billing methods (SPI).
- All contracts awarded will be contingent upon ERATE funding and final board approval. The applicant may choose to do all or part of the project upon funding notification.

Questions should be directed to:

Chris Johnston

9035684721

Timelines:

- Proposals must be received by 3 pm January 21st, 2019 and can be submitted to:

Chris Johnston
207 S. 5th Street
Celeste, TX 75423

Or email proposals to:

johnstonc@celesteisd.org

Any bid received after 3 pm January 21st, 2019 will be rejected. Celeste ISD reserves the right to reject any and all bids.

Purchasing decisions will be based on the following criteria:

Price of eligible products/services 25 pts.

Service/Product meets school needs 20 pts.

Total long-term cost to school 20 pts.

Quality of vendor's products 15 pts.

Past relationship with vendor 10 pts

Reputation of vendor's and vendor's products 10 pts

Applicant will accept bids for functionally equivalent equipment of that listed below:

2 - 48 port HP 2920 or comparable GbE POE + Layer 3 switches

2 - 1 GbE multi-mode fiber SFP transceivers

1 - Installation and Configuration and Integration of equipment into existing network environment
