PARENT MEETING

Come hear about the most effective ways to keep your kids safe online. The audience will:

- Learn how important it is for families to control their online presence.
- See how difficult it is to take back photos and messages posted online.
- Discover how identity thieves and predators read our information and what they do with it.
- Learn why identity theft can be so devastating to young people.
- See how a careless comment or photo can affect college admission, job opportunities, and social relationships.
- Discover how to create the perfect password!

**LOCATION: CELESTE HIGH SCHOOL
LIBRARY**

This meeting is open to all Celeste
ISD parents. Please come join us!
