Coverage for: Individual + Family | Plan Type: HMO

How is the overall <u>deductible</u> or <u>out-of-pocket limit</u> met?	Individual <u>deductible</u> and <u>out-of-pocket limit</u> payments apply to the family <u>deductible</u> and <u>out-of-pocket limit</u> .	The family <u>deductible</u> and family <u>out-of-pocket limit</u> are cumulative for all family members. The family <u>deductible</u> and <u>out-of-pocket limit</u> can be met by a combination of family members; however no single individual within the family will be subject to more than the individual <u>deductible</u> or <u>out-of-pocket limit</u> amount.

How your out-of-network care is reimbursed:

Your plan does not cover care you get outside of our network. Generally, we will not pay anything for that care. But your plan will pay for emergency services you receive from health care providers not in our network. Your cost sharing – deductibles, coinsurance, copayments – will be the same as if you got the care in-network. You are not responsible for paying anything else. If you get a bill for anything more, contact us.

Other important information about your plan:

This plan does not cover all health care expenses and includes exclusions and limitations. Members should refer to their plan documents to determine which health care services are covered and to what extent.

Additional information regarding your plan is available in the Disclosure Document on www.aetna.com.

Information includes:

- “Prescription drug benefit” which describes procedures we use to manage prescription drug benefits. These procedures include how to obtain a list of covered drugs and the exception policy for receiving coverage of a drug that is not on a closed formulary

Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions. Aetna Rx Home Delivery refers to Aetna Rx Home Delivery, LLC, a licensed pharmacy subsidiary of Aetna Inc., that operates through mail order. The charges that Aetna negotiates with Aetna Rx Home Delivery may be higher than the cost they pay for the drugs and the cost of the mail order pharmacy services they provide. For these purposes, the pharmacy's cost of purchasing drugs takes into account discounts, credits and other amounts that they may receive from wholesalers, manufacturers, suppliers and distributors.
